mini40

COLLECTION

Del Río's family has been producing quality and design products since 1951.

Mini40 is a new stage in our know-how. We have developed a cutting-edge range of products in terms of design, quality and efficiency.

Design; its embroidered decoration cannot remain anyone indifferent, it shapes and designs the product with a delicate interlacing of rectangles which makes it unique and incomparable.

Durability; it is a product made with the robustness and solidity that characterize MZ products, whose components are 100% low-lead brass, with stainless steel connections, equipped with ceramic cartridges and where the innovative high-resistance PVD treatment technology is applied.

Efficiency; this innovative line incorporates the latest advances in water and energy saving: C3 cartridge, water limiters for showers and sinks, thermostatic cartridges, etc.

COLLECTION

La familia **Del Río** fabrica productos de calidad y diseño **desde 1951**.

Mini40 es un paso más en nuestro saber hacer, hemos desarrollado una línea que se pone a la vanguardia en diseño, durabilidad y eficiencia.

Diseño; no deja indiferente su característico decorado como un bordado, moldea y perfila el producto, con un delicado entrelazado de rectángulos que lo hace único e inconfundible.

Durabilidad; es un producto fabricado con la robustez y solidez que caracteriza los productos de MZ, fabricado 100% latón con bajo contenido en plomo, conexiones de acero inox, cartuchos cerámicos y la aplicación de los nuevos tratamientos altamente resistentes en PVD.

Eficiencia; esta línea incorpora los últimos avances en ahorro de agua y energía, cartucho C3, limitadores de agua para duchas y lavabos, cartuchos termostáticos, etc.

C3 cartridge

Control the flow to save water. Double flow cartridge.

Controla el caudal para ahorrar agua. Cartucho de doble caudal.

ecold start

Save energy, turn on always the cold water.

Ahorro de energía, se abre siempre en agua fría
